

MOTION: Adding ITEC-112 to Core Curriculum (Global Perspectives)
REFERRED BY: Faculty Senate Executive Council

MOTION

The Faculty Senate recommends approving the new course, ITEC-112: A Global Perspective of Information Technology, for Core Curriculum credit in the area of Global Perspectives (College Core A).
[The course proposal is available on the Faculty Senate webpage.]

RATIONALE

As the voice of the faculty, and consistent with University internal governance policies, the Faculty Senate has the authority to approve new courses for inclusion in the Core Curriculum. This course has been reviewed and approved by the Department of Information Technology Curriculum Committee, the Chair of the Department of Information Technology, the College of Science and Technology Curriculum Committee, the Dean of the College of Science and Technology, and the General Education Curriculum Advisory Committee.
