

Motion to Recommend that the Core Curriculum Committee Hold Forums on the Core Curriculum.

(Curriculum Committee)

*Be it Resolved:* That the Faculty Senate recommends that the Core Curriculum Committee/GECAC widely advertise and then hold at least two open meetings (scheduled at different times—one on a Tuesday and the second on a Monday, Wednesday, or Friday—so as to be most convenient for faculty and staff attendance) before the March spring break for the purpose of receiving feedback on the new Core Curriculum and that the feedback be communicated to the Faculty Senate by a representative of the Core Curriculum Committee/GECAC immediately after those meetings are held.
