

Motion

The Faculty Senate recommends that GECAC/CCAC act with regards to the University Core A Curriculum in the manner of a Department Personnel Committee as outlined under section 4.2.3.3 of the T& R Faculty Handbook.

Rationale:

Currently the Core A Curriculum is unaccounted for in existing personnel paths and procedures. This motion addresses this gap by applying personnel procedures consistent with those outlined in the RU T & R Faculty Handbook. Further, this measure protects the integrity of instruction of University Core A courses and of faculty and student experiences.
