

**The annual faculty morale survey administered by the Faculty Senate's Campus Environment Committee gives you an opportunity to provide feedback on Radford University regarding the various levels of administration, characteristics of the campus environment, benefits, etc.**

***Your feedback is very important, so please take the time to respond to the survey.***

The Faculty Senate Campus Environment Committee and the Faculty Senate Executive Council will have full access to all survey data, both quantitative and qualitative. All raw quantitative data will be handled only by these two committees. Quantitative results from the survey will be summarized in table format, and the table will be shared in a public report at a Faculty Senate meeting, communicated to the President and Board of Visitors, and made available on the Faculty Senate webpage.

The Campus Environment Committee and the Faculty Senate Executive Council will have access to all unedited written comments and will make all unedited written comments available to the Board of Visitors and to the President who, in turn, may pass on portions of those comments to individual administrators on a need-to-know basis.

As such, please avoid any self-identifying comments that you do not wish to have made available in this way. Comments will be shared only on a university-level, with no college-level reports to be created for this data. The comments reported do not necessarily reflect the views of the Campus Environment Committee and the Committee does not verify the accuracy of any comments.

***Thank you for your help and cooperation!***

**The survey should take less than 10 minutes to complete. Please respond now, as the site will be shut down within 8 days.**

**Including the three blocks soliciting open ended comments, there are nine blocks of questions. Please keep advancing and answer as many questions as possible.**

**Thank you! -- The Campus Environment Committee of the Faculty Senate of Radford University**
