

## **Motion to recommend the Selection Process for the Screening and Hiring of the Director of the Core Curriculum**

### **Motion:**

The Faculty Senate recommends that the following selection process be adopted for screening and hiring of the Faculty Director of the Core Curriculum:

Proposed Selection Process:

- A. Position announcement posted and widely disseminated
- B. Elected representatives from each college, the library, the CCAC and SGA will act as a search committee and will submit the names of at least two candidates to the Vice Provost for Academic Programs for final selection.

### **Rationale:**

The Director oversees University-level educational initiatives. This important decision deserves a serious and transparent selection process with elected representatives from all colleges and involving all affected bodies.
