

CORE CURRICULUM COMMITTEE (CCC)

Minutes – October 2, 2009

Attendance: M. Baker, R. Barris, B. Bodo, A. Carter, G. Cote, K. Gingrich, I. Van Patten, S. Van Patten, C. Vehorn

Internal Governance

As the General Education Program is phased out and the new Core Curriculum Program is becoming established, it is necessary to revise the committee's role and seek approval from the University. After electing Susan Van Patten as Chair of the committee, number of motions were proposed and passed.

Motion: Change the name of the committee from General Education Curricular Advisory Committee (GECAC) to Core Curriculum Committee (CCC). **Approved.**

Motion: The Director for Academic Assessment or the Associate Director would be a non-voting member. **Approved.**

Assessment

The committee discussed various strategies for assessment of both the Core Curriculum and individual courses within the Core. The broad issue to be assessed is whether students enter their major courses better prepared than they otherwise would have been. No decisions were made.
