CORE CURRICULUM COMMITTEE (CCC)

Minutes – November 13, 2009

Attendance: M. Baker, R. Barris, A. Carter, G. Cote, K. Gingrich, S. Van Patten, C. Vehorn

The committee discussed various assessment issues. Specifically, it (i) distinguished between course assessment of the University Core A courses and program assessment for the set of University Core A courses, and (ii) reviewed a draft survey designed to elicit self reporting information from students about their progress in the University Core A program.

A draft of the revised and updated committee functions was handed out, with the expectation that the committee will vote on the draft at the next meeting, scheduled for Friday, December 4, at 1:00 p.m.
