Mr. Southard read the results of the round table surveys recently conducted by Chartwells, Compass Group and said they will be working on these requests to better please the customers. Here are some of the notes, comments and requests gathered from the survey:

- Need more rotisserie style cooked foods
- Serve breakfast during lunch and dinner hours more often
- Communicate a more balanced and healthy food option
- More holiday and special dinners requested in Muse.

Chick-fil-A will be refreshing their area. They will also be adding milkshakes and bottled milk to their menu.

APB McConnell is going to serve mac-n-cheese every day and rotate their soups more often.

Dining Services is looking into possibly extending Muse’s late night hours for next year.

The plans to add “Austin Grill” are on hold until further notice.

Chartwells is looking at different scenarios for Dalton dining hall and new lighting and décor for Muse.
