

**Motion to Change the name of the Department of Exercise, Sport, and Health Education to The Department of Health and Human Performance.**

**Motion:**

The Faculty Senate recommends the approval of a name change for the Department of Exercise, Sport, and Health Education (ESHE) to The Department of Health and Human Performance (HHPF).

**Rational:**

The Department has become more diverse with the inclusion of both the Nutrition and Dietetics and the Athletic Training majors. In order to be inclusive of all majors (ATTR, NUTR) and the 5 concentrations under the ESHE major, the name of the department needs to represent all disciplines.
